"I am very pleased with M and W and the other carers that care here. They (the company) have a good communication process. They also suggest to me when I need to call medical help for J."

"M is brilliant. She is my best carer. G, E and S are also good carers. They all help me with my needs. They are mostly on time and tell me if there are delays, usually due to traffic. My carers help me to be comfortable and have respect. The office is always quick to make sure just in case I have any complaints, I know where to call. Thank you."

ROXANNE ROSTATA

EXCLUSIVE

INTERVIEW

WITH

"Hi there! I'm Roxanne Rostata, and I am from the Philippines. I've been proudly serving as a Domiciliary Care Administrator at SD Care for the past 8 months.

One of the things I love most about my job is the fantastic team I get to work with, each bringing their unique backgrounds and skills to the table. I also cherish the opportunity to take on new responsibilities that keep me engaged and help me grow both personally and professionally.

What truly inspires me is the chance to learn and experience new things – it's an incredibly rewarding feeling.

Outside of work, my passion is planning and discovering new places to explore, both in the UK and other countries, all while staying within my budget, of course! 😂 Traveling and seeking out new experiences bring me immense joy!"

Our journey towards ISO 9001:2015 recertification has been a remarkable one, marked by dedication, teamwork, and a relentless pursuit of excellence. It all began with a clear vision to establish SD Care as a benchmark for quality in our industry. We are thrilled to announce that SD Care has successfully achieved recertification for ISO 9001:2015 from DNV this September. This accomplishment reflects our unwavering commitment to quality and continuous improvement in all aspects of our operations. ISO 9001:2015 is a globally recognised standard for quality management systems, and our recertification reaffirms our dedication to providing high-quality services to our valued customers.

This achievement would not have been possible without the direction and leadership of our General Manager Georgiana Raduica and the hard work and dedication of our team members especially Domiciliary Care and HR Department who consistently strive for excellence. We are proud of their efforts in maintaining and improving our quality management system, ensuring that we continue to meet and exceed customer expectations. This time our focus areas were Effective Change Management and we will continue to work on our expansion of services and documented processes for near year.

Revolutionising the Healthcare Landscape with AI: Implications for Workforces and Organisations

HEALTHCARE HAS SEEN REMARKABLE ADVANCEMENTS IN MEDICAL SCIENCE, SIGNIFICANTLY IMPROVING LIFE EXPECTANCY WORLDWIDE. HOWEVER, AS PEOPLE LIVE LONGER, HEALTHCARE SYSTEMS ARE GRAPPLING WITH INCREASING DEMAND, RISING COSTS, AND A WORKFORCE STRUGGLING TO MEET PATIENTS' NEEDS. WITHOUT SIGNIFICANT STRUCTURAL AND TRANSFORMATIVE CHANGES, THE SUSTAINABILITY OF HEALTHCARE SYSTEMS IS AT RISK. THERE'S ALSO A NEED FOR A LARGER HEALTHCARE WORKFORCE, AND ALTHOUGH THE GLOBAL ECONOMY HAS THE POTENTIAL TO CREATE 40 MILLION NEW HEALTHCARE JOBS BY 2030, THE WORLD HEALTH ORGANISATION PREDICTS A SUBSTANTIAL SHORTAGE OF 9.9 MILLION PHYSICIANS, NURSES, AND MIDWIVES GLOBALLY DURING THE SAME PERIOD. TO ADDRESS THESE CHALLENGES, WE MUST NOT ONLY ATTRACT, TRAIN, AND RETAIN MORE HEALTHCARE PROFESSIONALS BUT ALSO ENSURE THAT THEIR TIME IS UTILISED WHERE IT MAKES THE MOST SIGNIFICANT IMPACT—PROVIDING PATIENT CARE.

HOW IS USE OF AI GOING TO ENABLE US AT SD CARE AGENCY?

AI CAN ANALYSE PATIENT DATA THAT REQUIRE COMPLEX CARE TO PREDICT HEALTH TRENDS AND POTENTIAL RISKS, ENABLING PROACTIVE CARE PLANNING AND RESOURCE ALLOCATION. BY IMPROVING CARE COORDINATION, AUTOMATING ADMINISTRATIVE TASKS, AND ENABLING REMOTE MONITORING, AI CAN HELP REDUCE THE OVERALL COST OF HOME CARE WHILE MAINTAINING OR EVEN ENHANCING THE QUALITY OF CARE. AI'S MULTILINGUAL CAPABILITIES AND CULTURAL SENSITIVITY ARE INVALUABLE FOR OVERCOMING LANGUAGE AND CULTURAL BARRIERS IN HOME CARE. THIS ENSURES THAT HOME CARE IS INCLUSIVE AND EFFECTIVE FOR DIVERSE PATIENT POPULATIONS. CHATGPT CAN ASSIST IN HR-RELATED TASKS, SUCH AS ANSWERING EMPLOYEE INQUIRIES, GUIDING THEM THROUGH ONBOARDING PROCESSES, AND PROVIDING INFORMATION ABOUT COMPANY POLICIES AND BENEFITS. CHATGPT HAS HELPED US AUTOMATE DATA ENTRY BY EXTRACTING INFORMATION FROM DOCUMENTS, FORMS, OR EMAILS AND POPULATING DATABASES OR SPREADSHEETS. THIS REDUCES THE RISK OF ERRORS ASSOCIATED WITH MANUAL DATA ENTRY.

HOW TO IMPROVE YOUR MENTAL WELLBEING?

- MENTAL WELLBEING DOESN'T HAVE ONE SET MEANING. WE MIGHT USE IT TO TALK ABOUT HOW WE FEEL, HOW WELL WE'RE COPING WITH DAILY LIFE OR WHAT FEELS POSSIBLE AT THE MOMENT.
- GOOD MENTAL WELLBEING DOESN'T MEAN THAT YOU'RE ALWAYS HAPPY OR THAT YOU'RE UNAFFECTED BY YOUR EXPERIENCES.
- AND HAVING GOOD WELLBEING DOESN'T ALWAYS MEAN THAT YOU DON'T HAVE A MENTAL HEALTH PROBLEM. YOU MAY LIVE WITH A MENTAL HEALTH PROBLEM, BUT HAVE GOOD WELLBEING RIGHT NOW. OR YOU MIGHT NOT HAVE A MENTAL HEALTH PROBLEM, BUT BE STRUGGLING WITH YOUR WELLBEING AT THE MOMENT.
- POOR MENTAL WELLBEING CAN MAKE IT MORE DIFFICULT TO COPE WITH DAILY LIFE.

"YOUR STRUGGLES DO NOT DEFINE YOU."

SD's Commitment to Compassion Continues Strong

In keeping with our philosophy of caring and compassion, SD has once again extended a helping hand to those in need. As our Director, Francis, profoundly believes, *"In giving, we receive."* We are proud to say that we have made a heartfelt contribution to several impoverished families in the Central African Republic through our partnership with the Carmelite Missionaries.

In a region where many struggle with the burden of illness and the devastating aftermath of natural disasters, our support has provided a glimmer of hope. Some of these families lack access to essential medical care, while others are grappling with the daunting task of rebuilding their homes, destroyed by unforgiving storms. We are humbled by the opportunity to make a difference in the lives of these resilient individuals, and it is our privilege to be able to lend a helping hand. Our commitment to this cause is unwavering, and we are dedicated to continuing our support in any way we can.

At SD, we firmly believe that together, we can create positive change and make the world a better place. We are profoundly grateful for the resources that enable us to extend our compassion to those who need it most. Thank you for being a part of our mission to spread care and kindness far and wide. Your support makes all the difference.
